

## DuPage Water Commission Attends GreenTown Conference

Date: April 26, 2013

On Thursday, April 25, 2013, DuPage Water Commission Water Preservation Group Members Jenessa Rodriguez attended the GreenTown Conference as an exhibitor and Terry McGhee presented the details of the Commission's Water Conservation and Protection Program: how it was started, the struggles the Commission had to face and the future of the program.

Around 20 informational pamphlets about toilet leaks, lawncare, indoor/outdoor water use and a water quiz were handed out; about 20 5-minute shower timers; 30 rain gauges; and 20 toilet leak detection tablets were distributed.

See below for pictures from the event.
